

# Hometown Heroes' Day 2013

**Saturday, October 5, 2013**

## What is Hometown Heroes' Day?

Please join the Friends of the Family Readiness Group, a Private Organization whose goals include fostering a strong relationship between members, their families, and the civilian community, as we honor our hometown heroes. Event attendees will be able to visit a variety of military exhibits through recruiting efforts and interact with military members from the community. Awards will be presented to military members and their employers. There will also be live music performances, a car show, and even a 5K fun run to kick off the event!

## Sponsorship

This event will not be possible without assistance from local sponsors. Any donations would be welcome to help subsidize the cost of our Private Organization hosting this event. For any larger donations we will ensure that your donations are recognized as listed below. Thank You for your support.
